East Henry Clay Avenue

At the last Council Meeting at South Hills Civic Club there was definitely a consensus that parking restrictions are needed on the hill on East Henry Clay Avenue. There are safety issues with site distances pulling out of driveways when cars are parked in this area. Discussion

followed regarding painting of yellow lines on the street, restricting parking totally or partially in this area. Mr. Maloney stated that this issue will never be satisfied by everyone.

It was decided that we would get clarification on the legality of the painting of yellow lines on the street. Signage recommendations with No Parking on the hill on both sides. Signage to allow additional parking on Bluegrass Avenue and expand South Hills Civic Club parking lot.

This item for a vote will be on the agenda for the next council meeting in September.

No Parking – Rivard

Mr. McMurtry will draft an Ordinance for No Parking on Rivard for the September meeting.
