Dispatch Center Changes - Effective March 1, 2013

The City of Fort Wright is going to the Kenton County Dispatch Center which recently took over dispatching for the City of Covington. The primary reason for this article is to let everyone know that effective, **Friday, March 01, 2013, the NON-EMERGENCY** Telephone Number for our 24-hour Dispatch will change to: **859 356-3191**. Any calls made to our current Dispatch Center-Erlanger will be transferred by them and should cause only a minimum delay. The telephone number above is also the number to call for any non-emergency call such as: to file a theft report or property damage report. For any Police, Fire or Medical emergencies please call: **911**.

This Telephone Number change is very important to anyone with an alarm system which includes; **burglar, panic, robbery, fire and medical alarms**. Please notify your alarm company of the change in telephone numbers so they can notify the proper Dispatch Center. Most of these alarm systems use out of the area call centers so they cannot call 911, so it is important they have the correct telephone to reach our 24-hour Dispatch Center.

If you have any concerns or questions you can call the Police Department Administrative number: 331-2191 or Fire Department Administrative number: 331-2600, during regular business hours and we will assist you any way possible.

Vehicle License Fee

On October 3, 2012, Fort Wright City Council passed Ordinance 14-02, an Ordinance Imposing and Levying an Annual License Fee upon Motor Vehicles, including Automobiles, Trucks, Motorcycles and Motorized Recreational Vehicles, owned by residents or regularly operated within the City of Fort Wright, Kentucky for the privilege of using City Streets.

The annual license tax fee is thirty-five dollars (\$35) and is due and payable with your annual license tax and registration for your vehicle.

There will not be a City Sticker issued.

We receive records of those who did not pay when they renewed and will be sending letters for payment. Please note, the ordinance also requires a ten percent (10%) penalty once the fee is delinquent, which is the date on which your vehicle taxes are due.
