They were present to explain their part of the park and answer any questions Council might have, regarding design and layout.

Mr. Klein went through the timeline since the idea of this park was born. It started in 2001 when the Vision Committee was appointed and is still in the process today until the park is completed, with the ribbon cutting scheduled for Spring, 2008.

The financial paperwork was passed out explaining the estimated budget, cost opinions and budget projections. Discussion followed.

Mayor Weaver advised he would give Council time to go over the financial paperwork and would be on the agenda for the regular meeting on March 7, 2007.

Respectfully Submitted,
