Forget repetitive skill development, we're here to have "Fun"!

Fort Wright is happy to be offering Laffalot Summer Camp, a high energy, high activity, "fun focused" sports and activities program devoted to the physical, emotional and social development of children ranging in age from 6 to 12.

LSC offers day camps specifically developed in "girls only" and "boys only" formats. The programs are created for any range of athletic ability so no child is left behind in this "all inclusive" program. The activities are designed for large muscle development which improves balance and overall coordination, and is essential for kids in setting a foundation for skill development later. In addition, an environment is created to reinforce good social skills by fostering teamwork and group play, all while having fun!

Activities include pillo pollo, flag tag, floor hockey, dodgeball, kickball, scavenger hunts, volleyball, and much, much more!

More detailed information about the program and online registration is available at www.laffalotcamps.com,

or contact Pat Nymberg at (513) 313-2076 or pnyberg@laffalotcamps.com.
